

Final Paving Underway on Segment 3

- Segment 3 limits include the intersection of U.S. 98 (Panama City Beach Parkway) and State Road (S.R.) 79 (Arnold Road) south to Front Beach Road. It includes Front Beach Road from Cabana Cay Circle east to Lullwater Drive.
- The Contractor has placed the final lift of asphalt on South Arnold Road and within the roundabout at the Front Beach Road intersection. This work will aid drainage and put the manholes in the roadway at the proper height. With the final lift of asphalt down, attention will turn to applying the needed pavement markings.
- Utility coordination is continuing as crews are moving overhead utilities underground activating the newly placed utilities. This work is all being accomplished without interruptions to utility service.
- Substantial completion is anticipated fall 2025.

Looking south on South Arnold Road and west on Front Beach Road at the roundabout.

Status of Segments 4.1, 4.2, and 4.3

- Segment 4.1 includes Front Beach Road from Lullwater Drive to east of Hills Road.
- Segment 4.2 includes Front Beach Road from east of Hills Road to west of Lantana Street.
 - Utility coordination is underway along with the pursuit of permits needed to put the work out for bid as a single project.
- Segment 4.3 includes Front Beach Road, from Hutchison Boulevard (S.R. 392A to west of Richard Jackson Boulevard. The CRA team is acquiring the right-of-way that will be needed to construct the project.
